EDITOR'S LETTER

Autumn is such a beautiful time of year, especially in our neighbourhood.

Tree colours are changing, the breezes are cooler, crisp leaves crunch underfoot, misty mornings and the days are shortening.

After the summer hiatus, all the gardeners are out, (me included), preparing soils, dividing plants, pruning, planting trees, rotating crops, piling leaves into the compost bin and filling patches in the garden with colourful bulbs. At my place, we're busy trying to finish painting our new pergola and design/create a garden bed or two; anything is bound to be better than looking at a flat patch of dirt.

And across the town, everyone is busy trying to finish off any outdoor jobs before the bite of winter takes hold.

That said, you wouldn't live in this region if you didn't love the change of seasons and relish the thought of open fires, wool coats, colourful beanies and a warm pair of boots. Being new to the area, I'm looking forward to waking up to our first snow!

Daylight savings ends as we publish, (with a collective moan from the region's golfers), but there's always so much to look forward to in Trentham.

It's time for the Growers, Cookers & Eaters Dinner, Easter and the Trentham Easter Arts & Crafts Show is on our doorstep, Spudfest is just weeks away, there's more arts and writing festivals, Christmas in July ...

What a wonderful time of year to share with friends and family in our gorgeous town.

Cheers

Merrilyn Hunt
Assistant Editor

ADFAS CENTRAL VICTORIA

Australian Decorative and Fine Arts Society

Arts converge at ADFAS event

In a confluence of the arts, 75 ADFAS Central Victoria members and guests were treated to a pre-opening exhibition of Pacific Island and Australian Aboriginal artworks at the Cope-Williams Winery and Gallery in Romsey, followed by a talk that embraced the 'weird and whacky world of South Arabian architecture'.

The talk, by UK Middle East expert, Chris Bradley, followed the path of the scent traders through Yemen from Sana'a to the Red Sea, past the UNESCO heritage site of Shibam, with its precarious mud-brick buildings and on to the ancient site of the Temple of the Moon God, used during the reign of the Queen of Sheba, where fabulous discoveries are being made. Sultan Qaboos Grand Mosque in neighbouring Muscat is a demonstration of fading oil wealth today, but Chris' talk highlighted earlier treasures of fine arts and architecture, which today's war in Yemen prevents us exploring.

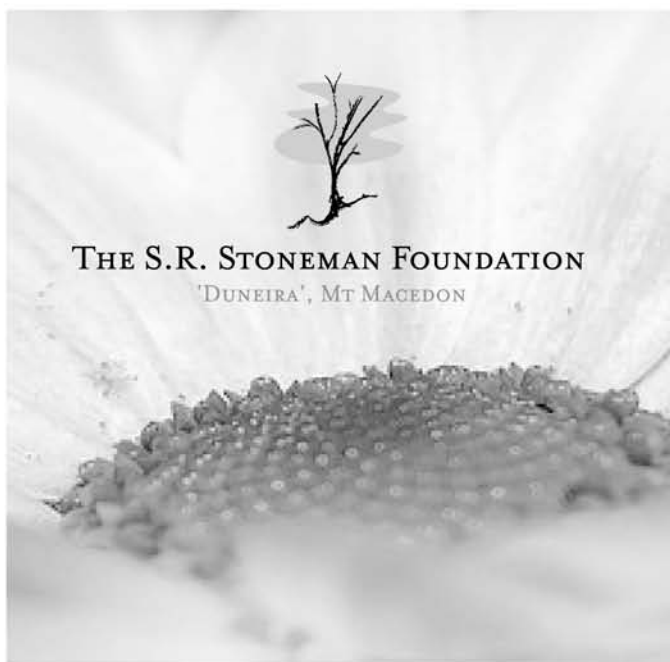

April - Thursday 6, Sylvia Sagona, Madame de Pompadour and the Politics of Porcelain

Sylvia Sagona, our very popular first ADFAS CV lecturer, will return to Kyneton Town Hall to delight us again with another French-themed talk. Sylvia is an internationally recognised specialist on 19th century French art, literature and society. She leads cultural tours to France, Italy and Spain and lectures to learned societies, galleries and museums. Sylvia will speak on the "Divine Marquise" who rose from obscurity to become Louis XV's mistress, sole confidant and power behind the throne. She cleverly maintained her power over the King in her role as arbiter of taste. She masterminded the porcelain Manufacture de Sevres and oversaw its designs that subtly celebrated her intelligence and beauty throughout Europe.

Founding members are especially welcome at this lecture, which celebrates ten years of ADFAS CV.

DAYLESFORD MACEDON RANGES OPEN STUDIOS DMROS 2017

Sat 29 April - Sun 30 April

Sat 6 -Sun 7 May

Sat 13 -Sun 14 May

10am-5pm

Thirty artists selected by an independent Curatorial Panel of expert directors from the NGV, Heide and Alcaston galleries are opening up their studios over three weekends for the fifth Daylesford Macedon Ranges Open Studios (DMROS) program, which takes place this year for the first time in the Autumn.

Drawing over 4,000 visitors each year, the free program offers the public the opportunity to go 'behind the scenes' of the creative process, meet the artists in their creative spaces and to learn about their work and inspiration.

Participating artists include sculptor and print maker Tim Jones; fine art photographer Deborah Mullins, who is also opening her Hesket garden; former fine arts lecturers/painters Anne Saunders & Doug Wright; aerial landscape artist Greg Mallyon; handcraft photographer Ellie Young; and Victorian inspired jeweler/Asian-influenced painter, Liz Archer.

DMROS 2017 includes 11 artists new to the program such as renowned sculptor/ceramicist Petrus Spronk and fellow members Clay Space; scientist/wildlife artist William Ritchie; functional contemporary ceramicist, Emma Jimson; and charcoal/pastel drawer/painter, Brian Reberger.

This year also for the first time, 12 artists will participate in Art-full Conversations in their studios, hosted by Creative Producer Jill Rivers at the beginning and end of the open days.

As the second weekend of DMROS coincides with Spudfest, the Talks on Saturday 6 May will take place with Trentham artists: painter Louise Otten and Printmaker Diane Longley.

The hub of the trail and site of the accompanying DMROS group exhibition will be held this year at The Convent Gallery, Daylesford.

ANZAC DAY 25 APRIL 2017 TRENTHAM

6.00am Dawn Service

The night is still, the air crisp and cold. The sounds of a lone piper drift out of the darkness. So marks a great tradition of the Dawn Service in Trentham. Taking place at the Cenotaph, the Dawn Service will be followed by a community breakfast served at the CFA Station. Donations will fund next year's breakfast.

11.30am March and Ceremony

Trentham Lions Club together with Kyneton RSL will again be coordinating the traditional ANZAC Day march and ceremony on Tuesday, 25th April.

The parade will form up at the Town Square at 11.30am. Following the march along High Street, the ANZAC Day ceremony will take place at the Cenotaph. This will be followed by refreshments at Trentham Neighbourhood Centre. Those wishing to take part in the march are invited to do so and to lay a wreath or floral tribute during the wreath-laying part of the ceremony.

As in previous years, students from Trentham District Primary School will act as flag bearers and do the readings during the ceremony. Cool Harmony Choir will be on hand to provide musical accompaniment during the wreath-laying and to sing the Australian and New Zealand National Anthems at the conclusion of the ceremony. Participants wearing medals of relatives are reminded that these are worn on the right breast.

TYLDEN PRIMARY SCHOOL COUNTRY FAIR

Saturday 29th April 2017 10-3pm

Save the date! The annual Tylden Primary School Country Fair is on again, Saturday 29th April from 10am to 3pm. Celebrating its 20th year, this exciting community event has something for everyone; from arts and crafts, gourmet preserves, local produce and music, plus a variety of delicious food stalls and great entertainment.

For the kids the amusement is endless. New rides and old favourites will entertain the troops all day. With the purchase of a ride wristband the kids will be able to enjoy the Inflatable Slide, Aerial Bungee, Trackless Train, Jumping Castle, Camel Rides and more, as many times as they like throughout the event.

While the kids are happily playing in the games zone on the oval, enjoy the splendour of delicious home baked goods or Devonshire Tea, as well as other delectable delights including sour dough donuts, vegan treats, curries and sausage sizzle. There is also a fantastic range of goods up for bid in the Silent Auction. The school library will be filled to the brim with many items up for grabs from kids clothing, kitchenware, tools, hampers, vouchers, wine and so much more.

This is the premier event on the Tylden calendar and we invite you to come along for a fantastic family day out to support a lovely local school that has been educating kids for 150 years. The money raised from the fair is used for a wide variety of programs in the school, such as an intensive school swimming program, grounds development and on-going costs of the renowned Stephanie Alexander Kitchen Garden Program. It is the fantastic effort of the whole community that makes the event successful each year.

For more information about the fair or to purchase ride wristbands contact the school on 5424 8244 or follow us on facebook [facebook.com/tyldenps](https://www.facebook.com/tyldenps).

SCHOOL HOLIDAY FUN AT THE LIBRARIES

It's not long until the Easter school holidays and we have lots happening in the Trentham Library.

Tuesday 4th April, between 2pm and 5pm, you can come in and make your own badges. All of the equipment will be set up, as well as materials for your creation. This is a drop-in session, so no need to book, but there will be a limit of 3 badges per person.

Friday 7th April our regular Storytime will have an Easter theme and we will be making Easter crafts afterwards. Storytime is on at 10am and the crafts will run through until 12noon.

Tuesday 11th April we are hosting a 'Bricks for Kidz' session: a creative Lego based activity to celebrate the new Lego Batman Movie. 'Bricks for Kidz' provides a safe, relaxed learning environment where initiative is invited and self-expression is celebrated. Building models provide opportunities for problem-solving and help kids develop an appreciation for how things work. All this takes place while kids are having fun and socialising in a non-competitive atmosphere.

Not enough fun? You can head over to Daylesford Town Hall on Monday 3rd April for Sean Murphy's "Ghost Jam". Sean is a kids' comedian and he guarantees Gasps and Giggles!

All of these activities are free, but bookings are essential. Please phone 5424 1326 to secure your spot.

Make sure you like our Hepburn Libraries Facebook page to keep up to date with all of the great activities on at the Libraries in our shire.

TRAVEL & YOUR HEALTH

While most travel-related illnesses are minor, all travellers should be aware of relevant health issues before they go. Update your vaccinations and ask about other recommended immunisations. Organise travel insurance, including cover should you need to be evacuated to a suitable hospital.

People who travel overseas have up to a 50% chance of contracting a travel-related illness. Some very serious infectious diseases are endemic in some parts of the world. All travellers should be prepared and aware of health issues and take measures to protect themselves.

You may want to arrange vaccinations or medications to protect against diseases such as hepatitis, typhoid or malaria. In fact, some countries legally require travellers to have certain vaccinations, such as yellow fever. As you will need to have some vaccinations weeks or months before travel, it is best to see your doctor six to eight weeks before you go. If you must travel at short notice however, you can still have some vaccines.

Your doctor will be able to advise which vaccines are suitable for you depending on:

- **Your medical history and age,**
- **Destination and likely accommodation**
- **The season in which you travel**
- **Length of stay**
- **Type of travel, for example, bus tour or backpacking**

Springs Medical Centre is a member of the Travel Medicine Alliance and we encourage everyone travelling overseas to seek travel health advice prior to travel by making an appointment with the dedicated Travel Clinic at Springs Medical in Daylesford or with their GP in Trentham.

TRENTHAM CRICKET CLUB 2016-17 SEASON WRAP UP

Trentham A-Reserve Grade player, Chris Boyer, enjoyed a good season with the bat winning the club batting average and two CDCA Best Player awards

The Trentham District Cricket Club has just completed another positive and competitively solid season.

The 2016-17 CDCA season campaign unfortunately did not produce a flag for the Saints, but its two senior teams successfully made it into the semi-final matches in early March, an excellent achievement.

The club is very satisfied that it had a pretty good season with both teams qualifying comfortably for finals following generally strong performances in the preliminary matches. This was achieved despite losing a number of important players from the previous season and being unable to play on the Trentham Oval for half the season due to the welcome installation of irrigation works.

The club would like to congratulate Chris Boyer on winning two CDCA Best Player awards (Grade Champion and Umpires Vote) in the A-Reserve Grade competition and also Adam Prewett on winning the CDCA bowling average trophy in A-Reserve Grade.

Despite not having the numbers to field a junior team this year, the club will be keen to try again next season because it sees this as important for its future and even more so for providing social benefits for Trentham community youth.

The club wishes to thank this season's sponsors/donors: Lonza Wood Protection; Toyota (Good For Cricket); Trentham Lions Club; The Plough@ Trentham; The Cosmo Hotel; Trentham Takeaway; Trentham Pharmacy; and Bill O'Connell.

As the club looks forward to next season it encourages prospective new players and supporters to contact the club. For any queries, please contact Sally Boyer on 0407 122 233, or Mark Reid on 0408 726 832.

CHORAL INSTITUTE MELBOURNE IN DAYLESFORD

Choral Institute Melbourne (CHIME), in collaboration with international soloist, Albert Ip, will perform two special pre-Easter concerts titled, "Reflections – The CHIME Choir" in Daylesford. These will take place at Daylesford Town Hall on Saturday, April 8 at 8pm and Daylesford Anglican Church on Sunday, April 9 at 2pm.

CHIME principal artistic director & conductor, Marten Visser brings a fresh approach to contemporary choral music, with works by Frank Ticheli, Ola Gjeilo, Morten Lauridsen, Eric Whitacre and more.

As well as the CHIME choir, the program includes solo performances by Albert Ip including arias from Mendelssohn's "Elijah" and Handel's Judas Maccabeus.

"I am thrilled to be performing with CHIME again" Albert said. "It's been five years since we last played together. After moving here, I felt I could bring a different genre of quality classical and choral music to Daylesford. One that I have great passion in performing to."

CHIME were keen to share Albert's passion for music with the community. Choral music has its root in churches and the Town Hall and Anglican Church venues have been known to be ideal for such a concert. We trust the audience will enjoy the performances.

"We have not started the revolution to lose our courtesy!"

**Count de Mirabeau to Robespierre.
Jean Anouilh in: 'Pauvre Bitos'**

This contribution was meant to be about the loss of courtesy in what should be a civilized discourse between citizens and council rather than between disgruntled ratepayer/customers and civil government thus treated as if its public services are for sale.

Considering that everyone seems to praise oneself lucky to live in a friendly community and a beautiful township, Anouilh's fictitious but historically insightful quote could also be turned into: "we have not embarked on realizing the ideals of the enlightenment to lose our sense of gratitude!".

We seem to take 'friendly' community and beautiful township etc. for granted, without any need to maintain and nourish this friendliness in our discourse with council. And gratitude would be a first step.

When I ended my December contribution to the Trumpet with: "what about gratitude", I was referring to the way some 'rationalists' seem to consider the fact that they can't make sense of cosmic grandeur, reason to declare it all meaningless, instead of being grateful for the gift: to be grateful for Something/Someone above and beyond our grasp is not therefore misplaced.

A recent accident turned my gratitude from cosmic heights to down-to-earth response from those involved. I am thankful for the way I was helped up, my bike cared for, the driver taking me to the medical centre, the nurse and doctor checking me out, the gentleman waiting, taking me home and returning with my bike, and then my friends at Evera, family and others who are still looking after me. What seems normally distant, inconceivable, became in a split second very tangible and I am very touched by everyone's care: human embodiment of cosmic grace. Thank you.

JANE LINCOLN MOVING ON

Branch Manager Jane Lincoln has accepted a similar position at Gisborne & Districts **Community Bank®** Branch. Jane concluded her work in Trentham on Friday 24th March.

CCCE Board chair Corina Sabo said, "It is with great regret and the warmest wishes that we announce Jane is moving on".

"Jane has become a wonderful asset to our branch. Her leadership, mentoring and professional service to the community has been of the highest standard. It has been a pleasure working with Jane."

The CCCE Board will work closely with regional managers, Jodie McLeod and John Sirioli, to have a new manager in the branch as soon as possible. During the transition, regional support will be provided by part-time Branch Manager Robyn Spiteri, who previously filled this role at Trentham. Business continues as usual!

TRENTHAM'S BIGGEST MORNING TEA

Friday 17th March saw unusual happenings on the footpath outside the branch. Mario Sartori made the most of the sunny morning by putting himself in the expert hands of Customer Service Officer Cathy Main who shaved off his beard and hair.

All for a good cause, Mario's bright blue beard and colourful hair migrated from his head and face to a pile on the footpath!

An incredible \$2,370 was raised with all proceeds being donated to the Cancer Council as part of Trentham's Biggest Morning Tea. Keep your eyes open for the date of this year's Biggest Morning Tea.

We're more international than you think.

TRENTHAM LAC NEW MEMBERS WELCOME

Would you like to enjoy doing interesting things with friendly and interesting people? Meet some new people? If so, then Trentham Life Activities Club is for you! Members receive a monthly newsletter that outlines in more detail the various activities that take place in the coming month.

We have groups of members that love gardens and love to visit them, to admire and perhaps gain some ideas for their own gardens. There is a foodies group, who go out to lunch or to dine at local restaurants, and there are folk that do Chinese exercises, bush walk, play Petanque or ride horses. There are some that play Mahjong, or meet for some textile craft activities and coffee. We have had excursions to interesting places, (the next one to Parliament House on 10/4/17) and we recently had a picnic at Hanging Rock which included a friendly mixed Petanque game. Trentham LAC is also hosting community morning teas for the local community on a monthly basis.

The next Foodies outing is for lunch at Small Holdings, 90 Mollison Street in Malmsbury on Thursday April 20th, meeting there at 12 noon. The menu will be shared platters at \$35 each. Please let Jill McCallum know by Sunday 16 April on 0403 650 811 if you wish to attend.

If you are interested in any of the above, or wish to join TLAC, then please contact the Secretary on 5424 8586.

Spudfest needs a bigger paddock

Spudfest has recruited an enlarged team of local volunteers to help plan and stage the biggest Spudfest ever for this year's 6 May event.

The 10th anniversary Spudfest also needs a bigger paddock as it has outgrown the Quarry Street Reserve.

While the Reserve will still be Spudcentral on the day, jam packed with Spuddy events and attractions, Spudfest will also be on all around town.

Spudfest events in the town square, in the High Street, down Market Street and along Victoria Street – all hopefully linked with horse and cart transport – will help encourage the large crowds visiting Trentham to take in the whole town, and to more closely engage with local traders.

Spudfest convenor Helen Macdonald said the event was originally conceived as a way of putting Trentham on the map, and as a way of creating town pride at a time when Trentham was doing it a little tough.

The event has delivered in spades, and has now grown to the extent that it needs to expand out of the park down by the lake – an expansion that will help encourage visitors to enjoy the whole of town.

Helen said it was fabulous that so many locals had put their hands up and offered to help out when Spudfest appealed for volunteers to help plan the 10th anniversary event.

However, Spudfest still needs helpers to help out on the day – a few hours on the day can be great fun, be a great way to be involved and also helps, collectively, to run what is now a major event, she said.

NEW LOOK LIKELY FOR TRENTHAM EASTER ART & CRAFT SHOW

The 2000-plus visitors who flock to the Trentham Easter Art & Craft Show each year are likely to see a new-look show following strong interest from new exhibitors.

The show's organisers are all receiving strong interest from exhibitors who have not previously taken part, said organising committee spokesperson Bette McLaren.

Trentham's Easter Art & Craft Show is traditionally popular with exhibitors as it gives them a big audience and offers strong sales opportunities.

This, plus additional prize money and a new portrait prize this year, are all helping bring in new names keen to hang alongside longer-term, regular exhibitors, Bette McLaren said.

The exhibition this year also features a new "Hangers' Award", an echo of the famous Packers' Award at the Archibald. As well as offering a People's Prize voted for by the public, the show now also offers a new \$100 prize for the piece voted as best in show by the volunteers who set up and hang or display the more than 200 pieces exhibited each year.

As well as being happy with the response so far, the organising committee is also pleased with the prompt and professional Hepburn Shire Council response to managing black mould which was detected in the Trentham Mechanics Institute Hall, the show's venue, towards the end of summer.

The hall has since successfully staged an international art show from Germany, which used the Trentham Easter Art & Craft Show's exhibition hanging system, and the venue is in top shape, post Council repairs, to host the more than 200 art and craft works expected to be on show over Easter.

Entry is \$2 per adult. Artist entry enquiries can be made at: jacinta@jacintaburke.com.au

There will also be a Trentham Indulgence Raffle run during the show offering accommodation donated by the East Trentham Goldwing B&B and a meal voucher donated by the Pig and Whistle.

Does the \$1.6 million super pension cap affect you?

From 1 July 2017 members with superannuation in pension phase are subject to a \$1.6 million transfer balance cap. This means that:

- The maximum amount a member can have in pension phase is \$1.6 million (across all super accounts).
- Amounts above \$1.6 million need to be withdrawn from the fund or commuted back to accumulation phase.
- If funds greater than \$1.6 million are left in pension phase, additional tax will be levied on the excess amount.
- Earnings on amounts in pension phase remain tax free, whilst those in accumulation phase are taxed at 15%.

Example:

John has \$1.8 million in pension phase in super split between two funds, \$1.4 million in fund A and \$400,000 in fund B.

To comply with the changes, John applies to fund B to commute \$200,000 back to accumulation phase before 1 July 2017.

This ensures that John's remaining pension balance across both funds of \$1.6 million is tax free and that no excess transfer tax is levied.

Please note special rules apply to defined benefit pensions.

Should you wish to discuss your pension obligations please feel free to contact Andrew Marshall or Janine Orpwood on 5427 8100 for an initial consultation.

Fun times at Blackwood Easter Carnival & Woodchop

Easter Saturday, Blackwood will once again ring with the sound of axes and carnival mayhem!

Participation is invited with trophies for 'Most Humorous', 'Best Decorated Vehicle', 'Best Decorated Bicycle', 'Best Dressed Kid', 'Most Imaginative Entry' and 'Best Blackwood Theme'. This year we also have workshops: 'Growing Heirloom Vegetables' with Julian from Garden of St. Erth, 'Backyard Bee-keeping' with Richard and 'Loving & Raising Chickens' with Karen, and others tba.

Be entertained with live music while you sit and enjoy the unfolding spectacle or browse the many and varied market stalls. Food and drink stalls and licensed bar.
