About the Trentham Trumpet

The Trentham Trumpet is published the first week of every month except January.

Guidelines for its Editorial Policy include:

- To inform the community of news and events that contribute to building community well-being
- To promote a positive image of Trentham and its community
- To provide residents with a platform to express considered opinions and concerns
- To contribute to the historical record
- To provide a medium for advertising services and trades offered to the community

The Editorial Team reserves the right to refuse any article or advertising and to edit articles for length and clarity. The opinions expressed in articles are not necessarily those of the Editorial Team.

Trumpet Notes is a special section where you may send a compliment, raise a concern, share a memory or thank someone special. 'Notes' are limited to 150 words and author's names will be included. A limited number of 'notes' will be published each month.

The word limit for contributed articles is 300 words and regular contributors are requested to please adhere to this policy. The deadline for all submissions is strictly the 20th of the previous month.

Please forward all items for publication to:

Email: trumpet@trentham.org.au

Post: Trentham Neighbourhood Centre,
PO Box 96, Trentham 3458 or corner
Market & High Streets, Trentham

Words in Winter

Words in Winter 2014

The 10th anniversary of Words in Winter Trentham served up a feast of literary and poetic dishes that warmed the heart and evoked a wealth of emotion while sating the appetite. What an amazing weekend it was consisting of Bush and Modern Poetry, a film on opening night, the inaugural Speed Scrabble event and more.

The Clever Towns Crossword Challenge was so very close with the Trentham team missing out on first place by a whisker. Newstead and Trentham both achieved 100% accuracy of their crossword however the winning team was Newstead who got their entry in a few minutes before Trentham. Congratulations to Trentham's 2014 Clever Towns Challenge Team – Keith and Val Goodwin, Mike Gretton, Charles and Peta Sherlock, Vicki Wells and Natalie Gretton (who took the photo).

Guests to the opening night film Julie & Julia were treated to a perfect winter dish of coq au vin straight out of Julia Child's Mastering the Art of French Cooking. The film is based on two inspiring true stories centred around two women and their passion for writing and cooking. Julia Child imposed her infectious love of life onto everyone around her in a determined journey to learn French cookery. Decades later wannabe writer Julie Powell is plodding through life wrestling with life's never ending dilemma of how to be happy. Her reflections turn to the things she loves – cooking and writing! The ingredients for a life-changing plan come together resulting in a challenge to cook the 524 recipes in Julia Child's book in 365 days!

What a challenge Speed Scrabble turned out to be with 10 dedicated and committed Scrabble players testing their skills against a different opponent each game and the clock! Each game lasted 15 minutes and the goal was to win your game and earn bonus points by having the longest word on the board and the most words played in a round. Virtually every round ended in a draw including the final round with Denise Lawrence and Jacinta Burke tied on 8 points. Congratulations go to Jacinta Burke who took the lead on count back with the highest scoring word for the entire game of 169

Cool Harmony Choir entertain the crowd prior to Annie Smithers sharing a rare insight into her world of growing and cooking.

points. Jacinta has assured organisers that she'll be back next year to defend her title!

The Bush Poetry is always well attended with this year's judge John Flaus being challenged every step of the way to find a winner amongst a multitude of exceptional entries. There were 13 entries in the original bush-poem section based on the theme "Hardship of the Bush" all vying for the Bruce McKenzie Bush Poetry Perpetual Trophy. The judge commended Judy Boyd on her fine interpretation of the emotions and hardship of the bush in her winning entry "Fire around Glenaladale".

There were stirring performances from the six contenders for the Best Performance of a Bush Poem Award. Andrew Greet secured the win with his own poem called "Cold Comfort Farming" delivered in an emotive voice with perfect tempo.

Musical entertainment for the afternoon was provided by Bill Payton, Dean Padham, Ina and Graham Bertrand and Peter Tammer. Thanks go to all the contestants and Trentham Historical Society for auspicing the event as well as Trentham Trumpet and Words in Winter Committee for their continuing support.

This was the first year of the Modern Poetry Prize and what a delight to receive 13 entries. The five short-listed original poems with the theme "Food"

all were read by Lyn Sunderland at The Plough @ Trentham. The audience were then entertained with poetry readings by John McLaren. Winner of the Modern Poetry Prize, Ben Oost, later read his poem "Baking with Tulips" at Trentham Neighbourhood Centre. The poem, a reflection on hunger, was based on family members' experiences in Europe during the war. The judges commented on the high standard of the poems entered. A big thank you goes to Colliban Food Store for their generous prize for the winner.

Telling Stories made a welcome comeback to this year's Words in Winter Trentham. Some gripping and highly emotive stories and poems were read by Saskia Post and friends. This was more than a simple reading however. The drama and performance expressed by the readers made quite an impression on an appreciative audience. One author in particular who was present to hear her story read was incredibly moved by the experience.

Cool Harmony Choir served up a musical course that had toes tapping and the audience singing along on the Sunday afternoon. The song choices all revolved around this year's Words in Winter theme of "Food" and were the perfect prelude to guest speaker Annie Smithers of Du Fermier. Annie shared a part of her life with those present providing a fascinating insight into her passion for growing and cooking food and the extraordinarily busy world of a chef.

Congratulations to all involved in organising and participating in this year's Trentham Words in Winter Festival. It was a truly delicious dish!

Councillors Corner

Last month, Council unanimously voted to develop a five year Memorandum of Understanding with the Trentham Sportsground Committee and we approved Council becoming Committee of Management for the Trentham Mechanics Institute. This means that Council takes greater responsibility for helping fund upkeep, maintenance and renewal of these facilities. It is a credit to everyone who has voiced their concerns about Trentham not receiving a fair go, to everyone who signed the petition earlier in the year and all of those who helped put the petition together and have helped keep this issue front and centre here in Trentham and across the Shire.

Another matter decided was to grant a permit for the proposed 22 lot sub-division in Mulcahys Rd. It was a difficult decision to make despite recent State government changes to the planning scheme which makes it clear that such a development is appropriate in land zoned Low Density Residential. It is always difficult in planning when we Councillors are stuck between the planning scheme and the community and I hope the impacts are not as severe as feared by local residents.

Finally thanks to everyone who came and asked questions and made their views known at the Mechanics Institute meetings last month. I better understand the range of views on the new facility. If you haven't voiced your views yet then it is not too late to let me know. At the moment most people I have spoken to see the need for the new facility and many understand why the old one is too difficult to incorporate. There are differing views as to how much of the old one we can or should save and I am working hard to distill a broader 'community view' from that.

Please don't hesitate to contact me on these or any other issues.

Spring is on it's way!

I noticed, this morning, that it was light at 7am, and my chickens have been squawking to be let out of their coop earlier. The telltale signs of Spring can be seen; daffodils, irises and strawberry flowers can be seen around the town. With the weather getting slightly less cold and rain being not quite so heavy, it might be time to venture out on your bike. TNC has a cycling group that meets on Tuesdays 9:30. The aim of this group is to get people cycling, no long rides, no huge hills and no Lycra. Turn up on your bike, go on the ride and then have a coffee after.

If cycling is not your thing and you get your exercise from being in the garden you might like to join Julian Blackhirst, from Garden of St Erth, to learn about Spring Planting appropriate to Trentham's special climatic conditions. Sunday 7 September 10-1pm Julian will share his knowledge and help you get the most from your garden and the short growing season here.

Later that week; Wednesday 10 September 1pm we have the first of our Death Cafes. This group is based on the Death Café concept first established in the US. People gather together to drink tea, eat cake and talk about their finite lives. There is no agenda, objectives or themes it is just a discussion group. To find out more about the concept visit www.deathcafe.com for information about the groups.

And if you are not into exercise or death maybe you have a smart phone or a tablet and are not sure about how to download or use new apps, or even know what is available and how to use them. Apps for your phone or tablet can make a big difference to your life organisationally, keeping tabs on how much exercise you do or food you eat and of course there are all those photography apps. So if you want to find out more about more about Best Coffee, Flickr, My Fitness Pal or Best Recipes join Robert Groom on Friday 19 September 10-12midday.

If there are any courses or programs you would like to see TNC offer please contact us and we will explore possibilities. This is your neighbourhood house.

SHIRE COUNCIL

HEPBURN SHIRE LIBRARIES

EXCEEDING EXPECTATIONS

Hepburn Shire Libraries in Creswick, Daylesford, Trentham and The Warehouse – Clunes have exceeded targets set in the Council Plan 2013-17.

Council committed to increasing visits and loans across all Hepburn Shire libraries by 5 per cent over the four year period.

This target has been achieved in the first year of the four year Council Plan.

As part of its commitment to keep library collections up-to-date and interesting, Council invested \$100,550 in 2013-14 to increasing collections across the Shire, including books, DVDs and Talking Books.

Thinking of subdividing your Main Residence?

At Langley McKimmie we are often asked to advise people who are thinking of subdividing their main residence in order to access the equity in their investment.

The act of subdivision itself will not result in any Capital Gains Tax (CGT) as long as you continue to own the subdivided land.

Once you do sell the subdivided land the tax consequences may vary depending on the circumstances.

1. Main residence exemption is removed from the subdivided block based on a split of value at the time of original purchase. The land is deemed to be held on capital account, entitling you to a 50% discount on the Capital Gain where held greater than twelve months overall; or
2. The land is deemed to be held on revenue account which re-characterises the land as either trading stock or part of an isolated profit making transaction, whereby the profit will be taxed at your marginal tax rates.

There are various factors that have a role to play in determining if the sale is on capital or revenue account.

If you have any questions please feel free to contact Andrew Marshall or Janine Orpwood on 5427 8100 for a consultation.

Trentham Music Makers

Locals, Barry Kemp and Janine Paton felt there was a need for another music session in the area that catered to all genres of music and gave players of all levels an opportunity to share their music in a comfortable, encouraging, informal environment ... thus Trentham Music Makers was set up.

Music Makers started in June this year and is held monthly in the Neighbourhood Centre in Trentham and now has a regular following of musicians who come from far and wide, as well as the locals. At the July session there were no less than 11 different instrument types playing including a hurdy gurdy, French horn, mandolin, banjo, violins, ukes, guitars etc. Also there is a beautiful new piano available to be used on the day.

Not to limit the afternoon to music, poets are encouraged to come along and share their favourite writings. The session invites those who don't play but would love to listen ... to come along. Being a very genial atmosphere there is a break for afternoon tea and a short chat before the music starts up again.

The session is held on the second Sunday of each month from 1.30pm – 5.00pm. For any information about the event you can contact Barry on 0407 341 253 or Janine on 5424 1535.

Crochet and Knitted Love for the children of Papua New Guinea

Can you crochet, knit or sew? We need your help.

I am after donations of hand-made knitted, crochet or sewn teddies and toys. They will make their way to children who suffer from physical, sexual & domestic violence in PNG.

In PNG

90% of homes experience domestic violence.

More than 50% of people seeking treatment after sexual assaults and rape are younger than 16yrs.

1 in 4 are under 10yrs.

There is a safe place in Mendi for these kids to go to seek treatment. They are looked after and loved. I want to give them a gift that is theirs to love and hold. One they can take home.

Developments on the Domino Trail

The Trentham Landcare Committee has agreed to establish a sub-committee to manage and maintain the rail leases between Station Street, Trentham and the Bullarto Railway Station. This has come about as a result of the Friends of Trentham Station group wanting to relinquish these leases in order to concentrate on the Station precinct only. Trentham Landcare agreed to support the proposal as a result of receiving assistance from the Hepburn Shire Council for Public Liability Insurance and the generous offer from Friends of Trentham Station to provide \$4,000 in funds to cover maintenance costs over the first two years.

Since our last report, VicTrack has called for expressions of interest from Heritage Rail groups around the State for the removal of the rail and sleepers between Station Street and Falls Road. Applications closed on July 18, so we should be in a position to report on this in the next Trumpet.

Also of note is the decision by the Hepburn Council to allocate \$35,000 in next year's budget towards work on the extension of the rail trail from Lyonville to Bullarto Station. This funding approval has come about through the wonderful efforts of the Bullarto Lyonville Rail Trail and BBQ Shelter Interpretive Display working group. We will be working closely with them over the next few months to develop the project plan in association with HSC.

These are exciting projects that will provide economic, social and recreational benefits to the region and it should not be long before you will be able to walk or cycle safely through the forest from Trentham to Bullarto and catch the Daylesford Spa Railway into Daylesford.

If anyone would like to become involved in trail activities, please contact Michael Keaney on 0418 343 605.

Lions News

(Lions Club of Trentham Inc)

The August Lions dinner meeting was held at the Cosmo with guest speaker Trish Collocott, CEO Hepburn Health Services. Trish gave an informative talk and was open to and answered questions from the many invited guests. It was great to see several Hepburn Health services volunteers from Trentham, drivers and even Max the Bingo Master!

Lions President (Tim Walsh) organised this speaking event but was unaware of a surprise award that had been "plotted". He was presented with the "Australian Lions Foundation Community Service Award" by Stan Falloon, immediate past President of our Lions district and now residing in Trentham. It was the first time most of us have seen Tim speechless. It was a well-deserved acknowledgement of Tim's contribution to our community, not just Lions.

The wood raffle will now be drawn monthly at the Famers Market, third Saturday of the month in the Town Square.

It may sound too soon to talk about "Carols in the Park" but anyone interested in singing at Carols can contact Bette McLaren 5424 1127. The programme will begin to be organised in the next month or so.

Community groups are now invited to apply for grants for local projects this month. Please forward your request in writing to Lions Trentham, PO Box 36, Trentham 3458. Some previous projects supported by Lions are the Skate Park and the Primary School's kitchen garden.

Anyone interested in joining Lions are most welcome to contact Tim Walsh – President 5424 8291 or Bette McLaren (Vice President) 5424 1127. Business meetings are the third Wednesday of the month, dinner meetings are the first Wednesday of the month, at local venues.

A First for Trentham?

Having lived in Trentham my whole life, I have often heard all the comments on our weather. Ooh its much colder than Kyneton, OMG they get snow out there, it rains nine months of the year and drips. Yep I have heard them all but did you know that our weather is absolutely perfect for growing truffles? On Monday July 28, we harvested our first homegrown Truffle, right here in Trentham. We had been watching the spot since early April. We had what we call "Truffle Eruption" at this time which means that the truffle is growing close to the surface and pushing up the soil.

You can see in the photo as the truffle continued to grow, it has pushed up the watering pipe considerably.

Now the hard thing to do in this process was to wait for the truffle aroma thus letting us know that the truffle had reached maturity and was ready for harvest.

As we dug around the truffle, being extremely careful not to break it, we actually thought it could just be a potato. Finally it was removed only to be two truffles growing together. First one weighed in at 117 grams and the other at 112 grams. Martin's plan was to eat them. He did get to eat some but most were sold. Annie Smithers of Du Fermier, had the pleasure of cooking up the 112 gram truffle and it was quite fitting that it was grown in Trentham and consumed here as well.

Georgie Patterson

Cool Country Classics

It seems amazing but we are now up to the ninth month and warmer weather is hopefully approaching.

August was again a successful month for the club with our monthly meeting attracting around forty members who may not have enjoyed the weather but most certainly did appreciate the warmth of the Cosmo Stables. Our monthly run was to Marong for the Federation Picnic on July 31; always a great event.

On September 13 and 14, we'll have the annual return of Wings and Wheels at Maryborough. We will be having a club run on Sunday 14, leaving the Station at 10am. We hope to see you at the Cosmo on the second Wednesday of the month, for our monthly meeting.

In the meantime, "happy motoring".

Friends of Trentham Station & Trentham Station Market

We have been quite busy around the Station of late including looking at some community use options for the Goods Shed as well as the water and power supplies to the shed. We have a group that are keen to assist with the water supply options for us.

Another job on that side of the Station is to commence some landscaping along the factory fence.

Although it has been cold on some of the recent Market days, the market itself still remains an essential income stream for us as it allows us to continue the ongoing preservation of the Station for all of Trentham to enjoy. The permanent carriage stalls also assist with this income stream, as well as providing another place for locals and visitors alike to wander through. Hopefully in the near future we can have a couple of extra carriages that can be used on a permanent basis. These carriage stalls also provide the back-up second person for the Information Centre as required, and do provide information to visitors when the Centre is closed.

We now have a group interested in taking over the Rail Trail section of our leases and this will free up our willing volunteers to concentrate solely on the Station precinct. We will know more from VicTrack shortly.

We look forward to seeing you all around the Station and Market in the near future.

Until then, happy marketing.

Trentham Life Activities Club

Life Activities Clubs provide social, recreational, and physical activities to enhance the quality of life of people, sustaining friendships for a lifetime.

The Trentham Life Activities Club is in its second year. Most activities are held weekly on Fridays at Trentham Mechanics Institute. Membership fee is \$25, which covers members for insurance and participation in most activities. We are holding our AGM on Monday October 13 at Annie Smither's Garden in Malmsbury. More information next month.

Weekly Activities:

The Stitching, Knitting and Spinning Group (10am noon) An enjoyable day was spent by some members at the Bendigo Wool Show. We observed different breeds of sheep, their fleeces, dog trials, spinning, weaving, felting and dying demonstrations. The highlight was an outstanding Mannequin Parade.

Mah-Jong (1pm-4pm) Members continue to learn new skills and practise old ones. Come and join in this ancient form of Chinese mind game.

The Chinese Health and Exercise Class (2.15pm-3pm) has been concentrating on exercises to improve balance and general well being under the experienced instruction of Patricia. Two new members have enthusiastically joined this group.

Ukulele (10am) The group meets at Chaplin's Cafe, enjoy their playing and singing as you partake of a late breakfast or a coffee.

Monthly Activities:

The Bush Walking Group car pooled to Firth Park in East Trentham and undertook a 2 hour return walk to the location of an old saw mill. They were amazed at the huge pile of saw dust left behind. We meet every third Sunday morning. Contact Judy on 5424 1575 if you would like to join us.

The Foodies Group – 14 members attended lunch at the Colliban Food Store where they discovered a common interest in gardening.

Horse Riding – Julie will lend you a horse or bring your own. Outings will be suited to your experience, riding in our beautiful area of Trentham. Contact the secretary for more information.

Coming soon a **Gardening Group** – please register your interest with Di Clausen diclausen@hotmail.com or 5424 8586.

The Trentham Life Activities Club will continue to expand (current membership is over 70). It provides a comfortable meeting place for members, so come along, join in and meet new people while learning new skills.

Butterflies of the Wombat

Butterflies are the delicate pollinators of our forests. Their beauty draws us in and leaves us daydreaming of fresh, sunny Spring days. The presence of butterflies in the forests are important indicators for ecosystem health and biodiversity.

Come along and learn about the role of butterflies in and around the Wombat Forest, presented by Julie Whitfield, as part of the You, Me and Biodiversity Lecture Series, a Wombat Forestcare initiative.

The lecture will be held at Trentham Neighbourhood Centre, Cnr Market Street and High Street on Saturday 6 September from 1.30 – 3.30pm. Gold coin donation at the door.

What a wonderful way to welcome in Spring!

Applications for the Community Investment Program are available from the branch at 37 High Street, Trentham, online at www.bendigobank.com.au/trentham or contact the branch at trentham@bendigobank.com.au or 5424 1608 to arrange a copy.

The Community Investment Program will be accepting applications during the month of September 2014.

Expressions of interest are sought for the 2014 Greenlight Youth Driver Education Program. The program is open to L and P plate drivers and aims to provide participants with the experience, skills and knowledge to understand their abilities on the road, as well as equip them with strategies to reduce and avoid risk-taking behaviour. The one-day course includes discussion sessions, computer modules and practical driving sessions using Motorvation's state-of-the-art driving simulators.

To register your interest, please contact the branch on 5424 1608.

Shareholders of Cool Country Community Enterprises Ltd and community members are welcome to attend the Annual General Meeting of Cool Country Community Enterprises Ltd scheduled for Monday evening 24 November 2014. More details will be available closer to the date.

Contact Trentham & Districts Community Bank® on 5424 1608 for all your banking and financial requirements.

SEPTEMBER 6TH

THE ROCKET

(Australia, 2013, 92 mins, drama)

Dir: Kim Mordaunt Lang: Laotian

A gripping, heart-warming and deeply personal story about the determination of a ten-year-old Lao boy who has the odds stacked against him. Set in little-known Laos, (the world's most-bombed country), and featuring amazing performances by child actors. Australia's 2014 entry in the Best Foreign Language Film for the Academy Awards.

Stars Sitthiphon Disamoe, Loughnam Kaosainam, Thep Phongam

OCTOBER 4TH

LORE

(Australia/Germany, 2012, 109 mins, war/drama)

Dir: Cate Shortland Lang: German

WWII is ending; the Allies sweep across Germany. Nazi-parented Hannelore leads her siblings on a scarifying 900km journey which exposes the truth about her parents. When your life is a lie, who can you trust? An excellent film dramatising this dark, brutal, tragic time in the not-so-distant past.

Stars Saskia Rosendahl, Kai-Peter Malina

Trentham Growers, Cookers & Eaters Dinner

Come one come all! Following a sold out event in 2013, the Trentham Food Hub is again hosting the annual Growers, Cookers & Eaters dinner. This is the third year that we've held the event and it's becoming more popular each year.

The dinner is a celebration of local food featuring dishes from several local chefs, seasonal produce from over 30 producers and live entertainment from local artists.

This is an Australian Fair Food Week event promoting resilient, equitable and sustainable food systems. Join us for a fantastic evening of delicious food, great music and lively conversation. All proceeds will contribute to our projects supporting local farming and guests will hear about the next phase for the Trentham Food Hub.

Tickets are available now at Red Beard Bakery, The Cosmopolitan Hotel and online via www.trenthamfoodhub.org. Contact Justin Walsh for more information on 0418 543 944 or justin@trenthamfoodhub.org.

Save Our Institute

PO BOX 55, TRENTHAM, 3458

The Trentham Mechanics' Institute was established in 1881. Its charter was and remains "the diffusion of scientific and literary information, useful knowledge and rational recreation". Trustees were appointed and application made to the Crown for a reserve of land on which the Institute undertook to construct a suitable building.

The application was successful and a hall was constructed that has borne witness to the district's public and social life for 133 unbroken years. Throughout its history its activities have been and continue to be consistent with its charter.

There are numerous arguments for and against Hepburn Council's proposed Trentham Hub. There may even be a case for the Institute considering the future of its existing premises if it is to fulfil its charter into the 21st Century. However the Crown has no grounds for withdrawing the Institute's right to conduct its activities on the land reserved to it for its purposes.

The Mechanics' Institutes of Victoria represents Victoria's over 500 remaining Mechanics' Institutes. The MIV has seen numerous cases where ignorance, ambition, commercial interests and even good intentions have threatened these remarkable witnesses to our history.

However this is not the MIV's fight. At least not until we, the people of Trentham and district have decided for ourselves that we wish our Institute to survive and prosper.

The Trentham Mechanics' Institute is a 133 year old independent locally owned social enterprise that continues to provide a valuable service from its original premises. Such noble institutions are not gifted into our care every day.

If the Save Our Institute campaign is to succeed our priority must be to ensure that the Trentham Mechanics' Institute not only retains its independence but also its right to occupy the Crown Land reserved to it. If you want us to succeed please let us know.

Welcome Spring

Welcome Spring at the Mt Macedon Plant Lovers' Market

This year the Mt Macedon and District Horticultural Society will be holding its 14th annual Plant Lovers' Market at Bolobek. Bolobek, which is located at 370 Mt Macedon Road, Macedon, is listed on the Victorian Heritage Register and noted for its garden.

The weekend of Saturday 20 and Sunday 21 September, from 10am to 4pm, will be a great opportunity to see and shop for a wide range of seeds, and plants. You can also talk to the growers and nursery owners and make use of their expertise.

Gardening books, from one of Australia's finest stockists, quality garden tools and accessories and onsite tool sharpening will also be available.

A complimentary 'plant crèche' is provided – perhaps while you enjoy a wine or coffee and something to eat from the Bolobek kitchen!

Homemade preserves, biscuits and cakes will also be on sale from the produce stall.

Entry to the market is \$5 (adults) and combined market and garden entry \$15. There is ample onsite parking.

For further information please visit www.mtmacedonhort.org.au.

Macedon Ranges Film Society

RAIN FORECAST FOR FILM SOCIETY

The Macedon Ranges Film Society was the victim of weather on the second Wednesday in August. Due to damage sustained at the Community Centre in Woodend, it was necessary to cancel the screening of *The Umbrellas of Cherbourg*. Released in 1964, this film tells an old-fashioned love story. Set in Burgundy in France and as the title suggests, umbrellas were in good supply. It can be said that if a film night had to be cancelled due to weather conditions, this would be the one! The film will be shown later in the year, at a date agreed upon by the Society committee and its members.

September's film, *Never Let Me Go*, is based on Japanese-born British author Kazuo Ishiguro's 2005 book of the same name. Starring Carey Mulligan and Keira Knightley, it begins in a fictional boarding school and centres around the relationships between three of its students. They are aware that their school is not like others but initially they can't identify the difference. The film has been described by critics as one of the best films of its genre.

The Macedon Ranges Film Society meets on the second Wednesday of every month at 7pm in the Woodend Community Centre. Film notes are provided and for those who wish, there is supper, kindly supplied by members, following the screening. MRFS is a membership-based club so that first contact must be made by emailing mrfilmsociety@gmail.com or by phoning Lorraine on 5427 0921 or Christine on 5429 5452.

Trentham District Football Netball Club

The Saints have had a great season for 2014, fielding 2 senior and 3 junior football along with 3 senior and 3 junior netball sides and providing an avenue for almost 100 local children and another 80 young men and women to participate in sport.

Trentham has one of the highest participation rates per population in Victoria.

Our 13+ Under netball girls will play in the final series along with all junior football sides. A great effort for our local children to experience finals competition.

Cal Wellings had a great season competing for our U17.5 and senior football sides and also participating in a combined AFL Goldfields side that competed in Cairns against AFL Townville/Mackay and AFL Cairns. Cal was involved in two good wins and was voted best on ground in both matches. Well done Cal.

Our senior football side has been quite competitive and although they have not won a lot of games they have pushed undefeated sides and can only improve as the average age for our senior side is 20 from the 30 players that made the senior team. Trentham are the youngest side in the competition and the majority of players have come up through our juniors. It is so rewarding to see our juniors step up into the senior ranks.

As a club we have taken great steps. A lot of hard work from our Club, Sportsground committee, local community, Hepburn Shire and the State Government has culminated in providing the best lighting in country Victoria and enabled Trentham to host 3 practice matches, 2 home games and 1 interleague game this season. Well done Trentham.

Presentation night will be held on 4 October – times will be advised shortly.

On a committee level we have our Annual General Meeting taking place on 28 October at 7.30pm. This meeting will be held at the Trentham Sportsground. All positions will be open and we invite any of the local community to come along and join the Saints committee in any capacity.

Please contact club president Troy Adams for any inquiry regarding our club.
