ABOUT THE TRENTHAM TRUMPET

The Trentham Trumpet is published the first week of every month except January.

Guidelines for its Editorial Policy include:

- To inform the community of news and events that contribute to building community well-being
- To promote a positive image of Trentham and its community
- To provide residents with a platform to express considered opinions and concerns
- To contribute to the historical record
- To provide a medium for advertising services and trades offered to the community

The Editorial Team reserves the right to refuse any article or advertising and to edit articles for length, clarity and provocation. The opinions expressed in articles are not necessarily those of the Editorial Team.

The Editorial Team requires letters to be restricted to 200 words as only one page of letters will be published. Any letters containing negative statements of opinion about a person must be reasonably held and based on verifiable facts prior to publication.

Trumpet Notes is a special section where you may send a compliment, raise a concern, share a memory or thank someone special. Notes are limited to 150 words and author's names will be included. A limited number of notes will be published each month. The word limit for contributed articles is 300 words. The deadline for all submissions is strictly the 20th of the previous month.

Please forward all items for publication to:

Email: trumpet@trentham.org.au
 Post: Trentham Neighbourhood Centre
 PO Box 96, Trentham 3458 or
 Cnr Market & High Sts, Trentham

Guidelines for contributions and advertising are available at www.trentham.org.au/news-events. Contributions from residents are welcome.

The Trentham Trumpet is available electronically by subscribing at www.trentham.org.au. Printed versions are available from Trentham Neighbourhood Centre (after hours collections from box by door); Trentham Newsagent; Trentham IGA; Trentham Petrol and Stuff and Pig & Whistle Hotel, East Trentham. TRENTHAM SAYS NO TO FAMILY VIOLENCE

Five local Trentham businesses have joined the 'Say NO to Family Violence' campaign led by Member for Macedon, Mary-Anne Thomas.

Trentham CWA, Trentham & Districts **Community Bank**® Branch, Trentham Neighbourhood Centre, Trentham Post Office and the St Mary Magdalen's Op Shop have joined other businesses and associations in the Hepburn & Daylesford region in making a banner to display in the lead up to November 25th, the International Day for the Elimination of Violence against Women.

Ms Thomas' recently caught up with the Trentham CWA to see their completed banner, and discuss the work that the Andrews Labor Government is doing to combat Family Violence.

1.9 billion is being invested across Victoria to end family violence. The Government is working with the community, victims, Victoria Police and peak services to implement the 227 recommendations of the Royal Commission into Family Violence.

Ms Thomas said the aim of the 'Say NO to family violence' campaign is to raise awareness about the gendered dimensions of family violence and to send a clear message that it will not be tolerated in our community.

TRENTHAM COMMUNITY FORUM INC

The Annual General Meeting will be held at the Trentham Mechanics Institute Supper Room.

7 pm - Wednesday 4 October 2016.

All welcome.

TRENTHAM COMMUNITY WATER FORUM

On 13th September, 10 representatives from Coliban Water presented a Forum for members of the Trentham community at the Mechanics Institute. The forum was attended by a number of concerned residents including Mayor Klein and an officer from Council. Such Forums are being held in various centres within the area of CW's responsibility but the timing may have been prompted by a request from the Trentham FORUM for discussions regarding water security.

The source of Trentham's water supply was outlined. The supply is solely from groundwater collected from a spring and bore a few hundred metres from the top of the range, south-east of the town.

The water supply and demand were set out, together with projections for the future, taking account of projected climate change, resulting reduction in supply and projected increases in demand as a result of population growth. It was evident that at some point, potentially as early as 2018, water supply will not meet demand. Alternatives to meet the increased demand were then outlined, together with costs. It was clear that the most expensive alternative was sewer mining, providing recycled water. The least expensive alternatives were an increase in the groundwater supply using additional bores or a pipeline from Tylden.

The presentation was followed by a panel discussion introduced by Mary-Anne Thomas, Member for Macedon. During this discussion, questions were raised by residents, including the limits and fallibility of relying on further groundwater, the concerns regarding use of potable water on the sports ground and the cost/benefit of recommissioning the two presently unused reservoirs at Fernhill.

The presentation was comprehensive and informative. Further, it appeared that the CW representatives took on board the concerns of the community and will take those concerns into account for future planning.

We at Transgender Victoria and COTA Victoria are creating short films on the experiences of lesbian, gay, bisexual, intersex and transgender individuals in relation to planning for their future.

If you are over 50, identify as lesbian, gay, bisexual, intersex or transgender and have a story to tell – a lawyer's appointment that didn't meet your needs, medical professionals who didn't recognise you as next-of-kin or even a 'phew' story where things went well because you had planned ahead – we'd love to hear from you. Sharing your experiences may help other LGBTI people plan for their future.

This work is being done in conjunction with the National Ageing Research Institute (NARI), and has ethics approval from Melbourne Health.

LILAC MOON TAI CHI SCHOOL NEWS FLASH

I felt very proud to be part of the Lilac Moon Tai Chi team that presented the Taiji Yangsheng Zhang form at the 19th WTQA competition in Melbourne on Sunday 27th August. I was told that we looked strong, centred and inspirational and moved in harmony as a group. Well done everyone and thank you to family and friends who came along to support us.

COOL COUNTRY MEN'S SHED

The Hairy Arch Art Show has been going for many years through the hard work of a dedicated committee.

David Bryant tells that the organisation is so well oiled that they don't even have to have a committee meeting. The proceeds of the art show are donated to various groups in the community and this year the proceeds went to the Cool Country Men's Shed.

David (centre) is seen here presenting a cheque for \$6000.00 to Bill Darling (left) and Tony Johnston (right) from the Men's Shed steering committee in front of our **Community Bank**. As Tony said, "We have a way to go before we actually have a shed and it is most encouraging to know our community is with us on the journey. This donation was unexpected but is gratefully received and will help our goal to come true. Thank you Hairy Arch committee."

In 2013, European climbers fled a mob of angry Sherpas. In 2014, film crews set out to film the Everest climbing season from the Sherpas' point of view. TRENTHAM'S COMBINED CHURCHES

Combined Churches mark 500 years of Martin Luther

Halloween 500 years ago was when Martin Luther, then a youngish academic concerned with some church practices, nailed up his '95 Theses' on the church door in his home university town, Wittenberg, Germany.

He probably thought that his arguments would fuel a pleasant afternoon symposium (literally 'drinking session' – Luther enjoyed his beer). But it sparked off a revolution across Europe – the Reformation.

Trentham's Combined Churches Committee is hosting a film afternoon at the Neighbourhood Centre on Saturday, October 21.

The 2003 film Luther stars Joseph Fiennes as the good monk, with Alfred Molina, Claire Cox, Peter Ustinov and others, and follows Luther's life frankly.

"Lavish and beautiful ... an interesting story set in fascinating times": Margaret Pomeranz.

The film starts at 4.30pm, and will be followed by refreshments that Luther enjoyed!

All welcome. Come and learn about the beginnings of events which would see European and English life changed forever.

Do you salary sacrifice into superannuation?

Consider Mavis' case

Mavis is a 56 year old employee of BHP Billiton and has been salary sacrificing to superannuation for the last few years to build her retirement nest egg. Mavis is concerned that due to the changes in superannuation contribution limits that she may need to revise the amount that she salary sacrifices into superannuation.

Mavis currently earns \$253,000 gross earnings per year as an office manager, her superannuation guarantee that is paid by her employer is 9.5% up until the maximum superannuation contribution base which comes to \$20,049.

The new concessional contribution cap for 2018 is \$25,000 which means Mavis has the ability to salary sacrifice up to this amount. As a result Mavis can salary sacrifice an additional \$4,951 to be within the concessional superannuation contribution limit.

Mavis will need to consider Division 293 taxation consequences as her income (including reportable super) exceeds \$250,000. Division 293 tax of 15% applies to concessional contributions when the \$250,000 threshold is exceeded. As Mavis is \$3,000 over the threshold she will pay an extra 15% tax on these superannuation contributions, equating to \$450.

Should you wish to discuss your payroll needs please feel free to contact Andrew Marshall or Janine Orpwood on 5427 8100 for an initial consultation.

COUNCILLOR'S CORNER

The last Council meeting was gratifying in that after ten months without Council meetings in our neck of the woods our Council elected to resume meetings in Trentham (along with the other towns in the shire) from October 2017.

It is perhaps the return of democracy and a welcome one too.

For us as a community, it is perhaps a reminder of what it is to be without a voice and a reminder also of how important it is not to take this voice for granted.

Sometimes when someone insists on their point of view, or yells the loudest, it's another way of losing our collective voice.

This is something to cherish and value. And something that we should work on together, to join our voices to shape our character and path.

This not only ensures that everyone feels heard, but that we retain the power that is inherent in our collective identity, as a town, as a community.

In other news, in my capacity as Mayor, I joined our State MP, Mary-Anne Thomas for a tour of the works funded by a significant grant from the Government to improve the iconic Lake Daylesford. This funding went beyond maintaining what was already there to remove tons of weeds, build and upgrade infrastructure and plant over 30,000 indigenous plants. It was wonderful to see.

It was also good to see Mary-Anne at a presentation day from Coliban Water. The information about the limitations of our water supply was concerning, but heartening to know that despite the envisioned water recycling project for the footy ground being unfeasible, they will make sure that we don't run out of water.

Finally congratulations to Trentham Saints. How fantastic that four of our teams won Grand Finals in the football and netball. We can only hope that it is a portent of things to come for our fine town.

Hepburn Shire Council is hosting the Carbon Free Action Workshop on Saturday 14th October at Victoria Park Daylesford from 9.30 am to 4.30 pm.

This workshop builds on the themes which emerged from the Carbon Free Community Conversations held in June and will bring together interested communities' members from across the shire and guest speakers who have relevant knowledge and experience to help develop an action plan/roadmap to turn ideas into reality.

The workshop will tap into the momentum demonstrated for the shire to become carbon neutral. The following themes will be included:

- Generating community power at community and individual level - Learn from the Renewable Newstead and Hepburn Wind experience
- Bulk purchase of solar systems - Learn more about the proposed Hepburn Bulk Buy opportunity
- Learn about what it takes to conduct a successful household/business energy savings program
- Waste to Energy opportunities in the Hepburn Shire
- Learn More about the Ballarat Community Power Hub funded by the Victorian Government

Taryn Lane from Hepburn Wind will facilitate a comprehensive "how to" community power workshop with the aim of:

- Building community knowledge about community energy and the steps involved
- Familiarise the community with the most viable community energy business models in Australia
- Identifying the skills and resources needed
- Develop a plan for the next steps toward making community power projects a reality

As numbers are limited, please REGISTER by COB Tuesday 10 October 2017 at Council's website at <https://www.hepburn.vic.gov.au/carbon-free-action-workshop/>.

Further information, tools and links which will assist in community action toward becoming carbon neutral may be found on the above website link.

We hope to see you at the Carbon Free Action Workshop to help put your community on a clear path to becoming carbon neutral.

NEW CUSTOMER SERVICE OFFICER

Trentham & District Community Bank® Branch is pleased to introduce our new Customer Service Officer Christine Rawson-Harris.

Christine has resided in Trentham since 1998 and, having been born in Austria, became an Australian citizen four years ago.

Many of our locals know Chrissie from her time as proprietor of Trentham Hardware. Chrissie is passionate about her dogs Otto, Chelsea and Daphne and prefers sauerkraut to cake!

Chrissie is extremely delighted to have secured a position at Trentham & Districts Community Bank® Branch. She is excited to be learning new skills and looks forward to meeting all the local customers.

SAY NO TO FAMILY VIOLENCE

Ballarat CAFS (Child and Family Services) will be addressing the community of Trentham and our many local organisations to assist us in recognising the various impacts that family violence can have on its victims. The event will be hosted by the branch and will take place on Wednesday 22 November at 7pm at Trentham Neighbourhood Centre. Additional information will be available closer to the date.

WELCOME MORNING TEA

On Saturday 2 September Cool Country Community Enterprises Ltd held the first of many planned morning teas for newcomers to Trentham. Attendees were treated to a presentation from branch manager Russell Hanson and representatives of Trentham Golf Club and Trentham Neighbourhood Centre. A broad range of topics was covered including places to eat, getting involved in the community and supporting the local Community Bank®. Introductions abounded throughout the morning as new and prospective residents got to know each other. A barbecue at the lake is being considered for the next event.

SAINTS TAKE HOME 4 FLAGS

The four undefeated Trentham sides A Grade and U/17 netball and U/17.5 and U/14.5 football managed to complete their perfect seasons with four hard fought victories recently in MCDFNL Grand Finals.

It was a historic day for the club as not only was it the first time the Saints had won four premierships in one season, on top of winning "Club of the Year" for most teams in the finals, but also the first time the club had won any silverware on the netball court.

Congratulations to A Grade's Coach Erin Richardson for taking best on court and Elly Rose in the Under 17 netball. In the U/14.5 playing injured Darcy Matricardi took out best on ground.

The club has also had a successful evening at both the Junior and Senior awards night with Ryan Bourke taking out the U/17.5 League Best Fairest. Ryan had an excellent season and in the U/14.5's Darcy Matricardi came runner up and Corey Pertzelt won the league goal kicking with 101 goals.

At the Senior League Awards night we came home with 7 awards; Club of the Year, Football Rookie of the Year Jake Keogh, Netball Rookie of the Year Tamsyn Dicker, Reserves Leading Goal Kicker Josh Murphy, C Grade Netball Runner Up Charlene Dowling, Football Player of the Year Jake Keogh and Netball Player of the Year Jane O'Donohue.

The club is proud of its achievements not only for this year on and off the field and court but is also proud of the role it provides for the town of Trentham. We would love for the community to be more involved in this club and hope that you would join us at our Annual General Meeting on Monday 23rd October at 7pm in the clubrooms.

TRENTHAM CRICKET CLUB IN GISBORNE ASSOCIATION

The big news to start the 2017-18 cricket season is that the Trentham Cricket Club has been accepted to play in the Gisborne District Cricket Association (GDCA) for the first time. This is great news for the club as the GDCA is a very strong association which provides excellent senior and junior competition alternatives and may also prove advantageous for recruiting new players in the future.

Trentham Cricket Club is now inviting players to make up its senior and junior squads. It is again fielding two senior teams and is hoping to also field an Under 13 depending on the amount of interest (see phone numbers below). The new season begins for our First Eleven in C Grade on 7th October and for our Second Eleven in E Grade on 14th October. Under 13s competition is expected to begin on 21st October (Saturday mornings).

The Saints are raring to go and very keen to do well in their first year of competition in the GDCA. The club is welcoming back several players who were sorely missed last year despite the club's very respectable effort of getting both senior sides into semi-finals.

Practice for the senior squads will be held (weather permitting) at Trentham Sportsground from 5pm each Thursday starting 5th October. If there is sufficient interest to field a junior team, junior practice will be on Wednesday nights at 5pm beginning 18th October.

Any prospective new or returning senior or junior players (Under 13), or any supporter who would like to help out at the club in any way, are most welcome. They can contact Sally Boyer on 0407 122 233, or Mark Reid on 0408 726 832.

COOL COUNTRY CLASSICS CAR CLUB

This past month has seen us out and about supporting events both locally and some further afield.

Earlier in the month, members took a relaxed drive via Springhill to the Malmsbury Classic and Custom Show where the whole village gets behind this event which supports their local CFA. Although the numbers were down due to the weather forecast, there was still a good range of vehicles on display which supported the other activities in and around the hall.

Next, with the sun shining through, the Club took to the roads again, this time to Metcalfe to the local Tractor Pull, wood chop and car show. How relaxing the drive was, with some seeing this area for the first time. On our arrival, we were met with a fair ground atmosphere of happy faces enjoying all the activities, and the good mixture of stalls. The boys in the wood chop use this as a warm up to the Melbourne Show. Across the road from all of this, is a Holden Museum, which is also well worth a look.

Next, we had the Glenlyon Swap Meet held at the local reserve, which although relatively small, still manages to offer up some bargains and those elusive bits and pieces we seek. And it is always nice to finish off the day with a visit to the Glenlyon Store.

Coming up, we have some runs to Mt Tarrengower and Muckleford for their local Mucklefest.

And don't forget the 19th November for our local Car Show at the Station with proceeds supporting the local kindergarten.

Happy Motoring and drive safely.

TRENTHAM LIFE ACTIVITIES CLUB

The warmer days of Spring make us all feel like getting out and about.

Trentham Town Square can be bathed in spring sunshine, so join the Ladies on a Tuesday or the Men on a Thursday, from 10am for a game of PETANQUE. There is much laughter and lots of fun to be had. They are social gatherings and coffee after the games is a must. So make your way down and have a look, you may find yourself playing before the morning is done!

New members are always welcome to all of our Activity Groups. The groups are a great way to get to know and make new friends. Members receive a monthly newsletter keeping you informed on the Club. Interest/ideas for new activity groups are welcome. Do consider getting involved.

SCHOOL HOLIDAYS AND FOOTY FEVER

Trentham library staff are gearing up for lots of fun these school holidays. Join us for a special visit from Rookeepers, who will teach their young audience about reptile behaviour, predators, prey, distribution and habitat, as well as the unique physical features of the members of reptile kingdom.

Rookeepers will be at Trentham Library on Tuesday 26th September at 10.30am.

Keeping to a reptile theme, we will be conducting Reptile Craft sessions on both Wednesday afternoons of the school holidays, at 3pm.

These sessions are free, but bookings are essential. To book for any of these sessions, please pop into the library, or phone us on 5424-1326 (Tuesdays, Wednesdays, Fridays and Saturday mornings).

We haven't forgotten it's footy finals time either! Whether or not your favourite team has made it into the finals, come and check out our display of football books.

Remember, no matter the weather, it's always cosy at the library, where staff are happy to assist your reading and viewing needs for leisure and learning.

WOMBAT FORESTCARE

DID YOU KNOW THAT MORE PEOPLE ARE KILLED BY WOMBATS THAN BY SHARKS?

Vic Roads are looking at multiple ways of approaching the issue of injured and killed wildlife and are currently investigating options for a combination of road safety treatments and animal barriers which may help to reduce wildlife mortalities and improve road safety in Hepburn and Moorabool shires.

Are you concerned about the wildlife that crosses the Trentham-Daylesford Road? Do you have any ideas that may help to resolve this issue? Would you like to share them with others?

A group of locals are getting together with VicRoads on Saturday 21st October at 1:30 pm at the Trentham Neighbourhood Centre to discuss ideas.

In the meantime, Vic Roads encourages all road users to report any incidents including dead or injured wildlife by calling 13 11 70.

For more information or to register your attendance please contact: Frank Carland either via email frank.carland@roads.vic.gov.au or phone (03) 5333 8703 - voice if no answer.

TRENTHAM BOWLING CLUB

Planning for the inaugural "Golden Bowl" tournament has developed at pace over recent weeks and we are delighted to advise that our major sponsor is Trentham & Districts **Community Bank**® Branch.

This knockout tournament has a first prize of \$1000 and the money could be yours with just SIX good bowls. With an entry fee of only \$10, the field is filling up quickly. As only 64 players can participate we encourage you to enter as soon as possible.

The tournament will be held from 6.30pm on Friday 24 November 2017 at the Park Street green and in the words of club stalwart Bob Dobinson "it should be a ripper".

Details can be obtained from Bernie on 0408 542 922 or Andy on 0419 896 389.

Our 2017-18 season commences on 21 October and following a successful Opening Day and some good early practice form, the Club is looking forward to some hard fought matches in the coming weeks. Trentham has teams in Division 1 and 3 on both Saturday and Tuesday [midweek pennant] and we would love to get some new bowlers joining us as we strive to better our results from last season.

Forget any preconceptions you might have about the sport, bowls is a game which people of any age and ability can play and enjoy, and it is easy to learn.

If you have ever thought of having a go come on down to the Park Street green in October and see what we have to offer. You won't regret it at all.

LETTERS TO THE TRUMPET*

PLEASE NOTE - Letters To The Trumpet and Trumpet Notes guidelines have been updated. Please see below.

TRENTHAM AND DISTRICT HISTORICAL SOCIETY
INC. A00188500A

Dear Editors of the Trentham Trumpet,

As you and your readers probably know, the Trentham and District Historical Society holds hard copies of any local newsletters and newspapers for the purposes of recording our history and enabling future research. Our committee meets monthly and has been concerned for some time about the historical accuracy of what the Trumpet has recorded about the issues of building a community hub for Trentham. We are aware that letters, especially those in favour of the proposal to use the Mechanics site, are sometimes severely edited or omitted entirely.

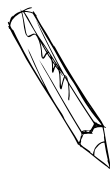

Hence we have decided at our September meeting to label our collection for the past few years with a warning about inaccuracy for future researchers. We are also aware that it is not our task to get involved in the politics of this town, but we take a great deal of responsibility for protecting the record of its history.

We sincerely hope you will publish this short letter and not edit it in any way.

Ronda Hall
President Trentham Historical Society Committee

Editorial Note:

Committees make decisions based on what is best for their organisation taking into consideration the community they serve where applicable. The Trumpet attempts to ensure everyone in our community has a voice.

*The Trentham Trumpet welcomes Letters to the Editor & Trumpet Notes regarding news events, issues, or comments/suggestions as an opportunity to start a new discussion, share your opinions or provide information you believe is of interest to other readers. Please limit letters to 200 words or less and notes to 150 words or less. The Trentham Trumpet will publish one page of letters only. It is important to note that The Trentham Trumpet reserves the right to review, edit or refuse any submissions.
