# TRENTHAM COMMUNITY NEWSLETTER

Issue No. 85, May 2009

‘Season of mists & mellow fruitfulness....’

Congratulations to everyone who contributed to the outstanding *Trentham Easter Art and Craft Show* – all the laudatory comments from visitors were fully justified and locals were equally entitled to feel very proud. The quality and variety of the art was extremely high and, given that most of the artists are from the surrounding region or have Trentham connections, indicate that we live in a very creative neck of the woods. As much as we need our artists, a show like this doesn't just happen. Sandra Proksa and Lyn Williams led a big team to bring it all together and between them carried the behind-the-scenes organisation over the months leading up to Easter – thank you Lyn and Sandra for your great contribution, and to everyone who helped in any way. Lots of people have been talking about ‘next year’ but we will need some new people on the committee . . . all the organisation and paperwork is meticulously documented, so there is great scope for people with ideas to get involved and give ‘the Art show’ some new enthusiasm.

Coming up in May, we've got the bigger, better, something-for-everyone *Great Trentham SPUDFEST*. Bob White and his team have put together a very full program, so mark 22-24 May in your diary, invite your friends and relatives to visit for what is fast becoming a real feature on our calendar – an event that connects with Trentham's history and, keeping with local tradition, is lots of fun and opportunities to socialise before winter really starts to bite.

And check out the *new walking track* through the Stoney Creek Reserve (formerly known as Park St Reserve), especially the bridge over the creek which we hope will soon be running again. Barry Elliott and the committee of management have received funds from Council for this project (and the State government for weed control). Construction of the bridge was a terrific exercise in cooperation between the committee, the Bowling Club and Lions – who are co-tenants in the reserve. It is planned that these developments will be the first stage of extended walking tracks connecting around town and the forest.....Ian MacBean

## **STEPPING INTO CARS**

Many motorists, particularly the womenfolk, are unaware that there is a right way and wrong way to step into a motorcar. It is all a matter of starting off by placing the correct foot on the running board. When entering the vehicle from the near side, first place the foot on the running board, and then pivot into the seat. When entering from the off-side of the car, i.e., the right-hand side, place the right foot on the running board, when it will be found quite an easy matter to swing gracefully into the seat. Attention to this simple technique will enable women to enter even a low roofed car easily and gracefully.

### **COOL HARMONY CHOIR CELEBRATES FIRST BIRTHDAY**

Trentham's Cool Harmony community choir established in May 2008 continues to provide it's members with fellowship and fun each Thursday evening. Following Christmas carol performances in Trentham and Hepburn Springs, the choir participated in the Anzac Day Dawn Service last month. It will perform again at the Words in Winter event at a venue to be publicised later. New choir members are always welcome and local citizens are encouraged to turn up at the Neighbourhood Centre each Thursday at 7.30pm. Please contact Val Goodwin, Choir Leader on 54241193 for more information.

### **THE TRENTHAM FILM SOCIETY**

The Trentham Film Society is screening the Danish drama "After the Wedding" on Friday, 1st May. Written and directed by Susan Biers, it is a superbly acted, intelligent portrait of a family struggling with the fragility of life and the search for connection, healing and forgiveness. It is an honest film, wonderfully directed - funny, sad, tragic and puzzling.

On Friday 5th June, Ingmar Bergman's "Fanny and Alexander" will be shown. The great Swedish writer and director described it as "the sum total of my life as a filmmaker". Combining themes of love, Christianity, estrangement, ghosts and repentance, the picture won four Oscars including Best Foreign Film; many critics rate it as Bergman's most accomplished and uplifting work. Films are shown at the Neighbourhood Centre, the first

Friday of every month at 7:30, with supper shared afterwards. If you are not a member, please come to your first film as our guest. For any enquiries, please ring Maria on 5424 1237 or Brad on 5424 1126
